AM I ELIGIBLE IF I HAVE ALREADY WORKED IN THE PUBLIC SECTOR?

Yes, applications are welcomed from practitioners with experience of working in the public sector. Applicants with public sector experience will be expected to demonstrate the added value of taking up a role through Public Practice over their existing role, or how it would enable them to make a step-change in their career.

DO I NEED A PROFESSIONAL QUALIFICATION OR ACCREDITATION TO APPLY?

No, there are no requirements around professional qualifications or accreditations to apply for the programme. You must simply have a minimum of three years of relevant work experience. A small number of placements may require Associates to have a professional qualification or accreditation, however, this is the exception, not the norm.

Applicants do not need to be employed to apply for or take up Associate positions. We welcome applications from Applicants who are self-employed, have taken a career break, are currently unemployed or currently in employment. If selected to the Placement Workshops - a valid passport and/or confirmed work visa must be presented to Public Practice when you confirm your attendance. Candidates who do not hold a confirmed visa, cannot attend Placement Workshops.

WHAT TYPES OF ROLES ARE ASSOCIATES PLACED IN?

We offer roles that go beyond standard job descriptions. For further information on the types of placement roles that we offer in, see the ["Roles" page](#) on our website.

WHO MIGHT I BE WORKING FOR AS AN ASSOCIATE?

Public Practice places Associates in public organisations: local or city government, combined authorities, development corporations, publicly-led delivery vehicles, or groups of more than one Authority sharing a role. BEING EMPLOYED AS AN ASSOCIATE

[RETURN TO CONTENTS](#)

HOW ARE ASSOCIATES EMPLOYED?

Associates are employed either directly by their host Authority on fixed-term contracts, or permanent contracts.

HOW DOES BEING AN ASSOCIATE WORK WITH EXISTING EMPLOYMENT?

To take up a placement, you will either negotiate a secondment with your current employer, take a sabbatical or leave your current job. The large majority of Associates leave their current jobs to become Public Practice Associates.

CAN I START THE PLACEMENT LATE?

All Associates are expected to start their placements at either the beginning of April or October, depending on which season they applied. For those candidates who have long notice periods, some placements may start a little later than others in their cohort, but this is the exception, not the norm.

IS IT POSSIBLE TO JOIN THE PROGRAMME ON A PART-TIME BASIS?

Yes, a number of our Associates teach, run their own companies or pursue other projects or courses alongside becoming a Public Practice Associate. However, any part-time placements do require a minimum placement commitment of 3 days per week. Applicants will have the opportunity to state their preference for part-time or full-time working arrangements as part of our recruitment process. This preference will inform matching to placements.

ARE FLEXIBLE WORKING ARRANGEMENTS AVAILABLE?

Whether an Associate is able to work on a compressed hours contract or have flexible working arrangements is wholly up to the public organisation they are matched with. Flexible working arrangements should be discussed directly with the Authority once a match has been made.

WILL I NEED TO RELOCATE TO TAKE UP A PLACEMENT?

Commute times are taken into consideration when matching Associates to placements, and Public Practice endeavours to offer Associates placements within reasonable commutes from their homes. Applicants have the opportunity to state whether they are willing to consider relocating to take up a placement during the application process. Willingness to relocate will inform matching to placements.

WHAT HAPPENS IF MY PERSONAL CIRCUMSTANCES CHANGE WHEN IN PLACEMENT?

Throughout the programme, you will be directly employed by your host Authority, or by your current employer through a secondment agreement. You will be entitled to all statutory rights afforded to employees. If your personal circumstances change, such as becoming ill or having a child, you will be entitled to all benefits set out by your statutory rights as an employee, for example, sick leave or maternity/paternity pay.

[RETURN TO CONTENTS](#)

WILL I BE EMPLOYED BY MY HOST AUTHORITY AFTER THE PLACEMENT ENDS?

The decision to employ Associates beyond the duration of the programme is made by the host Authority alone and is subject to their own internal HR policies. Public Practice offers employment support to all Associates towards the end of the programme but cannot guarantee that all Associates will be offered employment with their host Authorities beyond the placement.

WILL I BE ABLE TO EXTEND MY PLACEMENT?

Many host Authorities and Associates extend their employment contract beyond the initial period of the placement. This is something that is negotiated directly between the Authority and Associate directly.

WILL I STAY CONNECTED WITH PUBLIC PRACTICE AFTER THE PROGRAMME ENDS?

At the end of the 12-month programme, you will join our Alumni network. We encourage Alumni to remain active by attending our ongoing networking events and contribute to supporting our advocacy opportunities.

CAN I SUBMIT MY INITIAL (ONLINE) APPLICATION IN AN ALTERNATIVE FORMAT?

If, for accessibility reasons, you are unable to submit the initial application using the online form, we are happy for you to submit your application in an alternative format. Please email info@publicpractice.org.uk or call 020 3858 7447 to discuss your requirements.

WHAT DO YOU MEAN BY CURRENT AND MINIMUM SALARY?

We ask for you to provide both your current salary (annual gross, full-time equivalent) and the minimum salary (annual gross, full-time equivalent) you will be willing to consider from your placement as we appreciate these figures may differ. This information helps us to better understand your situation and assists with shortlisting. At matching stage, we will not consider candidates for any roles that are below their minimum salary requirement. When considering minimum salary requirement, it is also worth remembering that local authority holiday and pension provisions could be more generous than at your current employer.

WHAT IF I AM UNABLE TO ATTEND THE PLACEMENT WORKSHOP?

If you cannot make the date you are offered, we will try to accommodate you at another placement workshop. Placement workshops are the best way for Public Practice to gain a clear understanding of your experience and personal qualities. Placement workshops are carried out online, via Zoom, using a number of digital assessment techniques.

Yes, the placement workshop is carried out online via Zoom. You will have the opportunity to inform us of any additional requirements you have around the placement workshop once your application is shortlisted.

WHO ARE THE ASSESSORS?

The assessment of Applicants at the online application stage is supported by a group of around 70+ expert assessors. Our expert assessors are experienced public sector placemaking practitioners. At Placement Workshops, officers from host Authorities will participate in the days as Assessors.

HOW DOES MATCHING WORK?

Public Practice takes the skills, experience, personal qualities and preferences of candidates into account when matching to placements. Following the Placement Workshops, Public Practice will recommend matches to the placement with the most suitable candidate. Once matched, candidates receive a Placement Pack outlining the placement role and then are required to meet officers from the host Authority. Candidates have the opportunity to decline matches that they do not feel are suitable. Where matches are declined, Public Practice will endeavour to rematch Applicants with an alternative placement, however, this is the exception not the norm.

IF SELECTED WHEN WOULD I NEED TO TELL MY CURRENT EMPLOYER?

Selected candidates must inform their current employers in time to serve their notice period before the start of the programme. Host Authorities will be informed of your notice period when a match is made. Once a formal job offer is made, the host Authorities will generally seek to collect a reference from your current employer before offering an employment contract.

IS THERE A FEE FOR TAKING PART IN THE PROGRAMME?

No, there is no cost to Associates for taking part in the programme. Your host Authority will pay you a salary of between £30,000 - £70,000 on your placement. Public Practice and your host Authority covers the cost of your training on the L&D programme.
